ADDITIONAL INFORMATION

As standard, it is possible to obtain a 6-month visa which enables a traveler to 2 stays in China within this period – max. 30-day each. It is also possible to obtain a 12-month visa, but it has to be documented at the consulate that the applicant has already used a minimum of 3 business visas to China. For business visas, it is important that the invitations contain information about the exact dates of arrival and departure from China, and the information who covers the travel costs. The invitation must be on company's letterhead and contain the exact address and contact details in China.

The assistance of Weco-Travel includes the verification of documents, assistance during a visit to the visa center, taking over the payment as well as collecting and sending the passport with the visa.

Important:

Please check the technical condition of your passport and the number of blank pages. The passport must not have any technical damages (please check the condition of the first photo page of the passport).
